Dear Assemblyman O'Donnell:

Annexed here please find a letter from the Stakeholders of the Park West Village neighborhood in reply to your email to the community of October 4, 2011, in which you stated that the New York State Department of Health could not address the issues raised by our neighborhood about the Jewish Home and Hospital because they were outside its purview.

Thank you,

The Working Group to Stop JHL at PWV

Maggi Peyton, President, Park West Village Tenants' Association

Albina De Meio, VP, Park West Village Tenants' Association

We greatly appreciate your input and will make every effort to respond to emails on a timely basis, whether individually or combined by subject matter. As a fully volunteer group, we ask for your kind patience. Thank you.
