

Dear neighbor,

Thank you for your interest in efforts to stop JHL's plans for a 24-story nursing home at Park West Village. The rendering [below] depicts JHL's proposed building, situated in the midst of our neighborhood, on West 97th Street between Columbus and Amsterdam Avenues.

For details on some of the issues at hand, here's a link to the recent West Side Spirit article, "New Spot, Same Reaction":
