

# The Park West Tenant

**A Park West Neighborhood Shopping Sampler**

Park West Village Tenants Association introduces this new shoppers supplement in time for the Winter Holiday season. Our purpose is to inform the approximately 4000 Park West Tenants of stores, products and services in the PWV area. The revenue will help the work of PWVTA. Our established merchants deserve our support and we welcome new businesses. Some of the stores are community "institutions", here for 10, 20, 30 or more years. We want our local businesses to stay in business, as development and rising costs squeeze tenants and merchants alike. PWVTA does not endorse any product, store or service advertised in the supplement, nor does an ad in this issue imply endorsement of PWVTA.
